New Year! New Program!

Thanks to a generous grant from the Ralph Wilson Foundation our LatchKey program has been restructured and expanded into the **LightHouse AfterSchool Project**. Students, in addition to what we already offer, participating in the LightHouse AfterSchool Project will also enjoy:

- Academic Support & Small Group Tutoring
- Fitness Instruction and Sports Activities
- Nutrition Education and Activities (cooking, baking, etc.)
- Training in Leadership and Character Building
- STREAM Activities

The LightHouse AfterSchool Project begins Tuesday, January 16, 2018 for the same cost as our current LatchKey program!
