A Message from the Principal

Dear Families,

With Valentine's Day on Saturday, I want to take a moment to reflect on the importance of love in its many forms—kindness, respect, empathy, and care for one another.

At school, we encourage students to show love not just through cards or treats, but through their actions: including others, offering help, using kind words, and showing appreciation for the people around them. These small moments of connection make a big difference in building a strong and supportive school community.

Thank you for partnering with us as we guide our students to grow not only academically, but also as caring and compassionate individuals.

Wishing you and your family a joyful and love-filled Valentine's season.

Warm regards,

Principal Richards
